

Introducing Generation Z
WHAT TEAMS NEED TO KNOW

05 • 02 • 24

2-3 PM 1821 MICHAEL FARADAY DR

Entering the workforce as new hires, Generation Z has an entirely new set of expectations and ideas. In this workshop presented by UVA School of Continuing and Professional Studies, you'll gain insights on work styles, values, perspectives, and characteristics of Generation Z and how it is different from the Millennials. This event is free, but space is limited. Please register to reserve your seat. The event will be held at the Northern Virginia Community College Reston Campus.
